

Sub Branch Donations

Our Women's Auxiliary work tirelessly throughout the year and with the proceeds from their raffles, we have been able to give generously to the following community groups.

Women's Auxiliary Vice President Pat Bryan, Sub Branch President Martin Corbett with RACQ Life Flight Representatives

Women's Auxiliary Member Bernice Steele, Sub Branch President Martin Corbett with Stanthorpe Men's Shed President Kev Armstrong.

The Sub Branch has always supported our local Naval Cadets, TS Kookaburra. From time to time our vehicle was loaned to transport cadets to various training courses. In October, the Sub Branch proudly donated their Kia Carnival to TS Kookaburra.
